

Radford University Experiential Learning and Career Services

Recruiters and Students

Inclement Weather Policy as Related to R. U. Campus Recruiting Events and Interview

- At Radford University the decision to close due to inclement weather is made by the President's Cabinet and announced via television and radio stations throughout the area
- Experiential Learning and Career Services will follow the campus's direction related to closings. This will include our sponsorship of any recruiting events and interviews.
- Here are two scenarios that you may expect.
 1. We will begin an interview schedule during any late closings at the hour posted for the University's opening. Any interviews that are missed due to the late opening, we will try to reschedule throughout the day.
 2. If the University is closed for the day, the recruiting and interviewing event will be canceled and rescheduled for another date as quickly as possible.
- To find out the University status due to weather conditions, you can call to check the University's schedule by calling the following numbers:

540/831-5000 – Main Campus

540/831-5500 – Campus Police

540/831-5373 – Experiential Learning Main Office

540/831-5771 – Director's Direct Line
